DOWN THE RABBIT HOLE...

A MESSAGE FROM YOUR CON CHAIR...

HELLO DENFUR 2022,

I want to take a moment to say hello to all of you and introduce myself. My name is Amazon and I have the honor of being named your convention chair for DenFur 2022. I have been involved with the furry fandom for 19 years now, 14 of which have been here in Colorado. Throughout my time in the fandom, I have been able to help with many different conventions across the country. I have been helping with DenFur since 2018.

Recently I have come up with a motto for myself and my team, "We are only as good as our community." I know in the last few months our community has been turned upside down and thrown about. I believe in OUR community and that we can make it past this trouble. That is one of the reasons why I accepted the position of Con Chair when the Board offered it to me.

I know we are going to have an amazing time this year at DenFur 2022.

Your Convention Chair,

Amazon

TIPS FOR THE CON

FIRST CONVENTION?

Try some of these helpful tips and tricks to make the most out of your weekend!

DRINK PLENTY OF WATER!

Denver isn't called the 'mile high city' just for fun! Higher elevations will mean you can get dehydrated faster, on top of running around the convention all day. Be sure to stay hydrated so you can enjoy your entire weekend!

REMEMBER THE 6-2-1 RULE!

Everyday get at LEAST:

- 6 Hours of sleep
- 2 Complete meals
- 1 Shower

This will help ensure you (and those around you!) can be in tip-top shape to make the most out of the weekend.

PLAN ACCORDINGLY!

There are often-times just too many things to do at conventions! From meeting up with friends, to con panels, shopping in the dealer's den, to running around in fursuit, it can quickly become overwhelming. Try to sit down ahead of time with the con schedule and plan out a few specific things you would like to do.

BE AWARE OF YOUR FINANCES

There are lots of things to buy at a furry convention, and they're not always cheap! Be mindful of your budget for the weekend and **STICK TO IT!**

WHAT TO PACK

Comfortable Clothing: DenFur's forecast will likely be sunny and hot in the middle of August, so pack appropriately.

Comfortable Shoes: You're going to be doing a LOT of walking, so make sure to bring some good socks and shoes.

Towel: There never seems to be enough towels in a hotel bathroom, so pack one just to be safe!

Swimsuit: DenFur has a nice pool just waiting to be enjoyed, and it's a great way to relax after running around all day, don't miss out!

Pillow: If you like your pillow *just right*, bring your own.

Earplugs: Conventions can be loud, and some roommates snore. Throw a pair in your toiletries bag to make sure you get a good nights rest.

CONVENTION SAFETY

COSTUMES AND FURSUIITS ARE NOT CONSENT!

Always treat your fellow attendees with respect!
ALWAYS ask before touching anyone!

DenFur has ZERO TOLERANCE for these matters.

All reports of harassment/assault are taken **very seriously**. If you witness or are the victim of harassment or assault, report it to Convention Operations immediately. If you are in immediate danger, it can be reported to hotel security as well.

For those in fursuits Be aware of heat stroke!

HEAT EXHAUSTION OR HEAT STROKE

GUEST OF HONOR

SPAINIMATION

Spain "Spainimation" has been a fandom artist and suit maker for over 15 years. She has worked on a variety of projects both within and outside the fandom, from her own graphic novel "Caterwall" to developing and working on show pilots for Nickelodeon.

Spain lives in Denver with her partner and pets. Outside of art she snowboards, surfs, scubas, and loves to camp.

They will be hosting the following panels:

- Friday at 5:30 PM in Main Events:
"How to Pitch Your Story: Inside the Fandom and Out!"
- Saturday at 8:30 PM in Secondary: "The Lion King"

GUEST OF HONOR

FORTUNA

Hello!

My name is Fortuna and I'm a newer suit maker in Colorado. My focus is on new techniques that incorporate quality and ease of wear. In addition to fursuit making, I enjoy spending time with my horses and hiking in the mountains!

I also organize a local public suiting meet monthly where we tour the local bars in suit, bringing lots of smiles as we go! I've been enjoying this great fandom locally since 2015.

They will be hosting the following panels:

- Sunday at 11:30 AM in Panel 1: "Learn How to Foam Cast"
- Saturday at 8 PM in Panel 2: "Trading Post"

GUEST OF HONOR

AC STUART

Also known as the author of the popular Awoo! Comics

AC Stuart began his cartooning career trying to rack up fake internet points on Reddit and Tumblr. He leveraged his C-list internet notoriety into a gig as a staff illustrator at CollegeHumor, and he's been making comics for a living ever since. He lives in Columbus, Ohio, with his partner and pets, where he enjoys being a huge nerd about many things. He is probably not a furry.

They will be hosting the following panels:

- Friday at 12:30 AM in Main Events: "Let's Make a Comic Together!"
- Saturday at 3:30 PM in Secondary: "Let's Make an Awoo! comic!"

OUR CHARITY

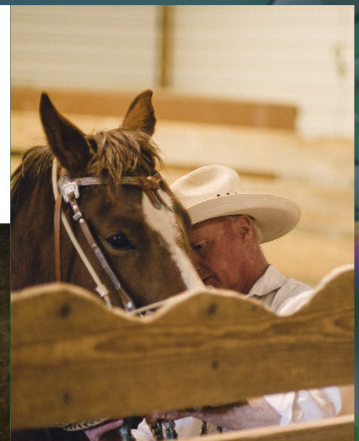

HORSEBACK MIRACLES

With the aspiration to provide life-choice alternatives for our nation's high-risk population, Terry Draper (Larkspur, CO) founded Horseback Miracles, Inc. (HBM). Since 1991, HBM has grown from one man's vision into an expanded program that serves the mental and/or neuro-developmentally delayed.

Drawn to action by compassion and commitment to make a difference in the lives of these youth, Terry Draper has led the effort to design and document a scientific-based equine sensory therapy program that emphasizes specific equine mounted activities. HBM methodology facilitates the flow of information within the brain and creates "whole-brain" learning that establishes our participants' innate ability to learn and function. This scientific process is the fundamental cornerstone of our methodology, which has become a measurable force in achieving statistically significant positive behavioral change and learning capabilities for our participants.

OUR STAFF

We want to take a moment to extend the most heart-felt thank you to all our volunteers. Those listed below, and all those at-con volunteers for all of their time and hard work. It's through their time and hard work that this convention can take place, so let's give them all the credit they deserve!

WRITING FOR VIDEO GAMES 101

Velli Wolf

18+ ID CHECK AT DOOR

Many people see the traditional side of writing in the fandom everyday. Going around a convention dealer's den, one can see passionately done, prosaic works like Kyell Gold's Out of Position or even more adults pieces of graphical literature like The Internship. While traditional writing is a thriving market, one facet of writing in the fandom that doesn't often come up in conversations is how one writes for a furry video game. People play action games like Blacksad and visual novels like Crown of Leaves, but how does one put all the writing together for huge projects like that? Velli Wolf would like to help answer this question by conveying his experience into writing for video games through this panel.

REDWOOD THEORY OF FRIENDSHIP

Glenn Birmingham

Redwood trees have a fascinating survival mechanism that connects them across hundreds of miles. During this pandemic, which has forced distance upon us all, I noticed some relationships in my life withered and struggled and some didn't. Reflecting on this, I came up with my redwood theory of friendship, which has fundamentally changed my relationship with the relationships in my life (work, most of all).

If you feel like an unreliable friend, have low energy, struggle to "keep up" or "check in" often enough, feel lonely in your group, or feel like you're more invested in a relationship than others, this panel is for you. If you have a friend like that, this panel is also for you. If you have an excellent and supportive friend group but struggle to make meaningful connections at work (especially around growth/help) that aren't based on reciprocity, this panel is also for you.

COVID-19

**GREETINGS! BASED ON THE CURRENT CITY OF DENVER GUIDELINES,
DENFUR WILL OFFICIALLY BE HOSTED AUGUST 19TH-21ST, 2022.**

Per federal guidelines, the state of Colorado, and the city of Denver, it was deemed that large public gatherings will be safe to host in 2022, given the projected guidelines. Denver has their own COVID-19 restrictions and preventions, but AEIOU will have their own safety measures in place as well. We are contractually obligated based on the above to host our event; however, this is subject to change as guidelines change.

IN REGARDS TO DENFUR REGISTRATION:

- All paid DenFur registrations for postponed events will automatically carry over to the new dates, at the same reg level.
- We appreciate your patience and understanding as we move forward into hosting events in 2022. We would like to thank everyone who has been sticking with us through this difficult time. We are looking forward to hopefully seeing everyone in the coming months. In the meantime, we encourage everyone to continue to stay safe, wear masks, and visit your local state health department websites on where you can get vaccinated.

THE FOLLOWING ARE ALL THE COVID-19 RESTRICTIONS AND OPERATIONS WE WILL BE PUTTING IN EFFECT:

- Disclaimer: Restrictions and Regulations are subject to change at any time. These will be updated as we receive new COVID-19 and social distancing guidelines.
- Any staff and attendees will be required to be vaccinated and provide proof of vaccination. Negative tests will not be accepted. We are working with local, state and federal requirements on what will be necessary to prove vaccination has been completed.
- Any staff and attendees are required to wear a mask in any function space at all times. Masks must be worn correctly over the nose and mouth. Face shields are not an acceptable alternative. Masks that require a filter that do not have a filter are not allowed. Masks with ventilation holes or patterning that allows for complete airflow will not be allowed. (when eating or drinking the mask restriction is lifted, but must be done in designated areas). Mask checks will be performed in all function spaces. A mask will be provided if needed.
- Food and Beverage: All items may be served by an attendant or may be pre-packaged. Areas will be designated for food and beverage consumption.
- Signature on a: "participate at your own risk" form alongside agreeing to COVID-19 regulations.
- There will be hand sanitizing stations available throughout the convention space.

CONVENTION RULES

THE FOLLOWING IS THE FULL LIST OF THE RULES AND REGULATIONS OF AEIOU CONVENTIONS.

The primary reason our conventions happen is for our attendees to have fun, and in order to provide a safe and enjoyable environment for everyone, the following rules have been put in place. AEIOU welcomes all persons to our conventions, but do reserve the right to deny or revoke the membership of any individual at any time for any reason.

Any action, behavior, or dress that causes significant interference with the convention operations, significant discomfort to other attendees, or affects the conventions relationship with the the venue, attendees, or the public is strictly prohibited and may result in the removal of your person from the property and a ban from the current convention or future events that AEIOU hosts. This includes behavior pre-convention and not just on site.

Badges and Convention Identification

The convention badge provided to you at Registration is property of AEIOU and must be surrendered upon request. You may keep your badge after the end of the convention if requested.

Your badge visible at all times when you are in the convention space. This is your identification when entering events within the space.

By accepting your badge, you are agreeing to abide by all AEIOU policies as well as any other agreements that may be necessary or put in place at the time of the convention.

Anyone who accepts a badge agrees to indemnify and hold harmless AEIOU from any claim for personal injuries or any other damages or equity arising out of any individuals activities at AEIOU conventions, even if the injury or damage is caused by negligence by or the part of AEIOU.

Attendance by Minors

Children under the age of 18 are permitted to attend AEIOU conventions, with the exception of Golden State Fur Con.

Children under the age of 13 are permitted to attend with a parent or guardian present at all times with the minor. A child under the age of 13 will not be permitted in the convention space at any time without a parent or guardian present, we are not babysitters.

A minor that is 14, 15, 16, or 17 is permitted to attend the convention without a parent or guardian present. Anything that the minor participates in at any AEIOU conventions are the sole responsibility of the minors parent or guardian regardless of if they are present or not. Minors are not permitted to enter any areas that are labeled as 18+, adults only, 21+, ect even with a parent or guardian present.

Minors that are 5 and under are permitted a badge without having to pay the badge fee.

Convention "Rating"

AEIOU Conventions are considered "rated" at PG in all public areas. AEIOU becomes "PG-13" acceptable after 8pm. The exception being Golden State Fur Con where certain more adult themes may be visible in public areas during all convention hours.

Exceptions will be made in areas clearly marked as "Mature" rated in the schedule and event areas such as the 18+ areas in the Art Show/Dealers Den.

Any area with a rating above PG-13 will have controlled access and may require display of photo identification along with convention badges to verify age before admittance.

18+ areas will be off limits to Minors regardless of parental consent.

General Rules

No sleeping in any public areas of the hotel or convention spaces.

Attendees are required to follow any reasonable instructions when given by a staff member. If you believe an instruction is not reasonable, address your concerns to the Manager of that department. Disputes are escalated as necessary, but the decision of the Directors/Chair is final.

Convention spaces are open ONLY to registered attendees or visitors being escorted by staff.

Badges are issued only to one person and may not be shared at any time. If a badge is found to be shared, the badge will be taken for the duration of the convention and the person originally issued the badge as well as the person wearing the shared badge will be removed from the convention.

Knowingly providing transportation or housing, or enabling an individual that is banned from AEIOU conventions to attend, will result in a permanent ban.

Smoking, and Vaping are **NOT PERMITTED** in the convention spaces and hotel rooms. There are designated areas for smoking/vaping.

Any act of vandalism or deliberate damage to the hotel or hotel property

will result in immediate and permanent removal from AEIOU conventions. This also includes any interference with hotel staff in the performance of their duties.

Merchandise sales may only be performed in the Dealers Den, Artist Alley, or any area similarly designated by convention staff and only by parties who have prior arrangements with the convention or hotel to conduct business.

Hotel and Rooms/Parties

The person named in the room reservation is responsible for anyone staying in the room, visiting the room, or passing through, and any damages that occur.

Signs may not be posted to hotel walls, hallways, or elevators of the Hotel unless otherwise stated by the individual convention. If allowed, this must be done with paper or 'painters' tape to prevent residue being left on the walls. If flyers are placed with improper hanging materials, the person named in the room reservation will be responsible for damages and payment to the hotel.

Room Parties are allowed, but noise must be kept to a level to not disturb other attendees during night hours. Doors to hotel rooms must be kept shut. Noise complaints will receive a single warning from the hotel staff.

The member hosting the party is responsible for cleanup.

Excessive trash, soiling, or damage to hotel property in the room may result in removal from the hotel and the convention.

Housekeeping will ONLY clean up bagged trash.

In most cases, hotel staff are required by corporate policy to inspect hotel block rooms once per day, even if the room is not to be serviced. Housekeepers will often bypass rooms with "do not disturb" signs on, but will return at the end of their rounds, and knock on doors. Attendees must allow housekeeping to access the room if asked.

Room parties hosted on the designated party floor are subject to different rules. Please see operations for any questions regarding party floor parties. This will change per convention.

Lost and Found

Lost and Found will be maintained in the Convention Operations Office. If you lose an item, check here first. A report can be filled out describing the item and contact information must be left. Items will only be held for 30 days past the convention before they are either thrown away or donated.

Dress Code

Collars and leashes may be worn, but persons cannot be lead around by them in public areas.

Public exposure of bare breasts, buttocks, or genitals is not permitted.

Full-body fursuits are an exception (fur covers all!), but may not reveal genitals, buttocks or breasts. Breasts that are built into fursuits are acceptable if they do not have nipples showing.

Fursuits are not permitted in the pool or hot tub. Hateful, provocative, and clothing articles that imply harassment are NOT allowed. This is included, but not limited to arm/head/tail bands, shirts, pants, fursuits, costumes, flags, props or any other item at staff discretion.

Some items AEIOU does not allow at anytime:

- Police Cosplay
- German or Nazi items
- Any racist cosplay
- Realistic prop weapons

Clothing must keep within the PG-13 rating of the convention, but certain clothing may be worn into 18+ panels or by vendors of 18+ booths provided it is covered up while in public areas.

CONVENTION RULES

Harassment/Assault

Harassment includes, but is not limited to:

- (a) Physical assault, battery, stalking, or unwelcome physical attention.
- (b) Conduct, dress, or speech that targets, threatens, intimidates, or is otherwise intended to cause distress to other attendees, or members of protected classes (such as those based on race, age, religion, national origin, disability, gender, or sexual identity).

AEIOU will never tolerate any conduct, dress, or speech that targets, threatens, intimidates or is otherwise intended to cause distress to other attendees or members of protected classes. What someone identifies as is to be respected always. If someone corrects you, every effort to respect and identify the person correctly must be made. If you are found to be purposely misgendering or misidentifying someone to cause distress or upset, you will be immediately banned from all AEIOU conventions.

All reports of harassment/assault are taken **very seriously**. If you witness or are the victim of harassment or assault, report it to Convention Operations or CRT immediately. If you are in immediate danger, it can be reported to hotel security as well.

It is not the job of AEIOU to solve your interpersonal problems. AEIOU is not able to prevent attendance of person(s) unless they pose a specific, credible threat or have a criminal history of conviction of crimes which may pose a threat to the convention or its attendees. If you would like to make a report about an individual, have a legal name and police report ready for convention staff.

If a protection order or restraining order is in place against someone who is on the premises, report to CRT to have law enforcement involved. Notification of such orders can be given to convention staff prior to the convention as a courtesy. Responsibility for settling personal disputes lies solely with the parties involved and any relevant authorities.

Threats, harassment, and stalking will never be tolerated. There are grounds for immediate revocation of your convention badge and expulsion from the property. Report any issues to convention operations if you have asked the party to stop and they continue.

If people tell you "no" or ask you to leave them alone, you must follow their request, no "ifs, ands, or buts".

If you continue to make efforts to contact said person(s), even over digital platforms, you may have your badge revoked.

No matter the costume someone is wearing, this does not equal consent. Never touch anyone without permission, ever.

Payments to AEIOU

AEIOU accepts most major credit cards and debit cards, as well as cash. Chargebacks that are made for the sole purpose of avoiding payment, that are made without sufficient cause, or are made without first attempting to resolve the dispute will result in a permanent ban from AEIOU conventions.

Convention Specific Policies

Each convention may have their own specific rules or regulations that will supersede the statements in our general TOS. Please see the convention specific website for any changes or rules that apply only to that convention.

Weapons

Real weapons of any kind are not permitted in convention spaces regardless of any local or state laws for concealed/open carry of such items. This also applies even if you possess a government permit that allows you to carry concealed or open in the state the convention is being held. **An exception can be made for law enforcement officers or federal law enforcement officers, which must be approved prior to the convention.**

This is including, but not limited to firearms, tasers, stun guns, OC (Pepper) spray, knives with 4" or longer blades and swords (any live steel). Magnetometer wands and other checks may be performed randomly by the CRT to ensure compliance with this policy. Any violation will result in law enforcement being contacted and badges revoked for the duration of the convention.

Reasonable facsimiles of firearms are also prohibited in convention spaces.

Prop weapons are allowed, but must have no sort of "firing mechanism". The prop weapons must be obviously fake to be approved, cannot represent a

real firearm in any way, and must be approved and marked by CRT staff before it is permitted in con space. If you have something you wish to submit to CRT for consideration, please bring it to CRT staff before wandering convention.

Pets

Pets are not permitted in the convention space.

In accordance with the Americans with Disabilities Act (ADA), recognized Service Animals are permitted.

Attempting to falsely claim an animal as a Service Animal may result in revocation of membership and local law enforcement involvement. If a service animal is seen to cause disruption of any kind, report it to CRT immediately. Any validity of a service animal will be handled through the venue and through local law enforcement if a service animal is causing a disruption.

Emotional support animals and therapy animals are not considered service dogs by the ADA, and are not permitted in convention space.

Substance Abuse

Sale, distribution, use or possession of controlled substances will not be tolerated at any AEIOU convention. Anyone violating applicable laws will be immediately ejected from the convention, membership revoked, and law enforcement contacted.

In the states where marijuana is legal, it is convention policy that marijuana products are not permitted inside the convention space or on hotel property. This includes the sale, distribution, or serving of alcoholic beverages to someone under 21.

Media Relations, Photography, and Videography

All journalists, media photographers and other members of the press are required to display an official badge provided by the convention. Members of the press may not conduct interviews, take photos, record audio, or take video without a staff member present and with permission given.

Photos and video may be taken in the convention space by attendees for personal use only. Any commercial use of the images or video must be approved by AEIOU.

Sales, Flyers and Solicitation

Do not place flyers, signs or business cards in any public spaces such as tables, bars, and hallways. Any such items must be distributed in convention space. No adult materials or implied adult activities or items may be placed in convention space.

Nobody, unless approved by the convention, may sell raffle tickets or host a drawing of any kind. We can not allow hand held signs advertising anything in exchange for anything else, signs offering free items are permitted.

Music

Portable speakers must be turned off in convention space that is enclosed or where people cannot walk away from your speakers. This includes but is not limited to, any elevators, lines, dealers den, stages or panel rooms. Music played otherwise must be quiet enough that you can talk over it without raising your voice.

The same rules apply to live musicians and they may not obstruct any walkways or disrupt a scheduled event. Musicians may not play with an open case to ask for money or imply that they are asking for tips.

Accessibility

AEIOU is committed to providing access and reasonable accommodation in its services, programs and activities. Accommodation requests related to a disability should be made no later than one month prior to the convention start date.

Accommodations may also be made by the venue or hotel, so prior notification is important. Every effort to make your accommodation requests possible will be made. Please see the convention specific website for more information and to contact us with any questions.

SPECIAL THANKS

This convention wouldn't have been possible without the support of so many amazing people and organizations who have contributed in their own way. We cannot thank them enough for their support.

A huge thank you must - of-course - go out to the Sheraton Downtown In Denver Colorado. Thank you being wonderful hosts and providing an amazing venue. They have supplied us an incredible place for us to bring so many wonderful people together from around the world to celebrate what makes us all special together!

And to anyone else who has helped support such an amazing DenFur 2022, we cannot thank you enough. We hope to see you next year!
